Dear Participant:

This letter is to inform you that you are eligible to begin work to transition into the community under the Money Follows the Person Demonstration Grant. Your services will begin effective the date you move to the community and will last for 365 days as long as you remain eligible for services.

Your Regional Transition Coordinator is _____ with _____ agency and she/he will be available to assist you in the process of transitioning from where you currently live into a community residence.

As part of your participation in the Money Follows the Person Demonstration Grant, you will be asked to participate in a Quality of Life Survey on three different occasions. Your Regional Transition Coordinator will do the first survey with you before you move to the community. Another one will be given about a year after you move. The last one will be given about two years after you move. These surveys are confidential.

If you have any questions or concerns about the Money Follows the Person program or the services you receive, please contact the State Transition Coordinator at 406-444-0993 or email MoneyFollowsThePerson@mt.gov.

We look forward to working with you and assisting you with a successful transition to community living.

Sincerely,

Hazel Noonan
